## **Service: Ministry Fair Coordinator**

*Committee: Stewardship*

### *Activity Purpose*

To schedule a date far enough in the future, develop a theme and contact all Board Chairmen and the church office to make a list of all jobs that need to be completed in and around the church during a calendar year. Conduct meetings to motivate those involved to complete all necessary tasks on a timely basis before the date of the Fair.

### *Skills needed*

The ability to see the "big picture" and how all of the Boards and jobs around the church interact with one another. Imagination, patience and versatility will make this position enjoyable to perform.

### *Benefits you will receive; Skills you will develop*

Knowing that you assisted members to use their God-given talents to further God's kingdom! Being able to know which jobs around the church need to be filled so that an individual can choose where his or her talents can best be used.
